Dear HR Manager,

I am writing to express my strong interest in a position as an IT role within your company. As a results-oriented professional with over 11plus years of experience, I offer in-depth expertise in Oracle Cloud Infrastructure (OCI), Citrix Virtualization, Windows Server administration, Azure VD management.

Most recently, I served as an IT Senior Consultant at Oracle India Pvt Ltd. My core responsibilities included the end-to-end operation of OCI infrastructure—ranging from provisioning and monitoring to VM recovery and hardware optimization. I also managed patch cycles, security vulnerability remediation, and Change Management Requests (CMRs) for application deployments, consistently ensuring high system availability.

My technical foundation is further supported by extensive experience in:

- **Virtualization & Networking:** Configuring Citrix VDI/VDA/NetScaler (ADCs), managing Access Gateways, VIPs and administering VMware/Hyper-V environments.
- **Systems Administration:** Server install/maintenance, Managing Active Directory, GPO, and disaster recovery protocols to ensure reliable performance.
- **Certifications:** I am ITIL v4, CCP-V (Citrix), Azure (AZ-104), and OCI AI Foundations certified, allowing me to align technical service delivery with strategic business goals.
- **Data Center operations:** physical server Installation, Hardware maintenance, Vender management and daily health checks and Maintain updated CMDB.

I recently moved to Germany on a **Job Seeker Visa** and am highly motivated to contribute to a local team. I am open to relocation to meet the requirements of the role.

Thank you for your time and for considering my application. I am available for an interview at your earliest convenience and can be reached at +49 174 725 0888/+91-8885884605 or via email at suvva.swarndeeep@gmail.com.

Best regards,
